

FIRST ANNOUNCEMENT

10th Iranian Congress on Toxicology & Poisoning

We are pleased to invite you to the 10th Iranian Congress of Toxicology and Poisoning (ICTP) which will be held on **18 - 20 May 2009** in Tehran, Iran. This Congress will be hosted by Shaheed Beheshti University of Medical Sciences in cooperation with Iranian Society of Toxicology (IST). In this regard IST invites its members to contribute and submit their abstracts to this congress. Other colleagues with Toxicology, Legal Medicine, Internal Medicine, Emergency Medicine, Pediatric, Occupational Medicine, Psychology, Anesthesiology and Intensive Care Unit, Infectious Disease, Clinical Pharmacy and Pharmacology specialty and also MD, PharmD, DDS, DDV and Psychiatrist are also very welcome.

TOPICS

1. Acute Poisonings & Drug Overdose
2. Drug Abuse and Addiction
3. Herbal and Traditional Medicine Poisoning
4. Development of Poison Control System
5. Antidotes: Preparation and Readiness
6. Occupational and Industrial Toxicology
7. Pesticide Toxicology and Agrochemical poisoning
8. Epidemiology of Poisoning and Toxicovigilance
9. Mechanistic (Molecular, Cellular, & Biochemical) Toxicology
10. Disease Models and Biomarkers of Toxicology
11. Ethics in Toxicology
12. Forensic Toxicology and Legal Medicine
13. Environmental Toxicology
14. Risk Assessment and Control of Hazard Materials
15. Analytical Toxicology
16. Target Organ Toxicity
17. Metabolism and Kinetics
18. Advances in Toxicology
19. Education and Training in Toxicology
20. Pharmaceutical Safety
21. Adverse Drug Reaction (ADR)
22. Natural Toxin
23. Others

From The General Secretary
Dr. Shahin Shadnia

Alireza Ebadollahi

- The Iranian Congress of Toxicology and Poisoning (ICTP) have now moved to electronic submission, therefore abstracts should be submitted electronically by email to shadniatr@sbmu.ac.ir
- Instructions given below must be adhered to strictly. As time does not permit return of inadequately prepared abstracts for revision, they will be rejected! An exception may be made for minor correctable errors, at the discretion of the Scientific Committee.
- Submission of the electronic form signifies understanding of, and agreement with, all the conditions set out below.
- **If you have no Internet access or experience technical problems** that prevent you from submitting on-line, please contact the Congress Secretariat who will assist with technical problems, or make arrangements for you to submit via mail if necessary.
- The Scientific Committee of ICTP will evaluate the abstracts. The Scientific Committee's decision will be final.
- **Abstracts must be received by midnight on December 21, 2008** to be considered by the Scientific Committee.
- All abstracts accepted for presentation at the Congress will be published in the Congress proceedings, provided they are submitted in the format set out below. However, **ONLY** those that meet the scientific criteria set by both the Scientific Committee and the Journal will be published in the Supplemental Issue of *Iranian Journal of Toxicology*. The decision of the Scientific Committee in this regard will be final.
- **No abstract received after December 21, 2008 will be considered for the meeting.**

Notification of abstract receipt

- Please note that after successful submission, documentation will be provided by e-mail. We recommend you to **print** a copy of the document receipt for your records as well.

- Submitters will be notified of the acceptance or rejection of their abstract by **January 20, 2009**.

Authors who have provided an e-mail address will receive notification via that e-mail address.

- All abstract presenters will be asked to return a form by e-mail confirming their intent to attend the meeting.

Please reply promptly so we know you have received our notification of acceptance.

- All abstract presenters must register for the Congress by **February 19, 2009**. Failure to do so will result in withdrawal of abstract from publication in the *Iranian Journal of Toxicology*, and will result in administrative rejection of the abstract.

These instructions give the general guidance for format. You will be asked to supply a back-up version of your abstract anyway, and separate files for tables and figures.

- Authors should be listed using the entire surname and the initial(s). Omit titles, degrees, and academic appointments and do not separate initials with punctuation e.g. Soltani MR

- The affiliation must comprise ONLY department name, institution, city, state/province and country.

- When indicating author's affiliation please use numbers, e.g. Soltani MR (1), Azimi A (2) etc. Please do not use other symbols.

- The body of the abstract should be organized as outlined below. You **must** include the underlined words in the body of your abstract. You must use the colons, e.g. Objective:

- Objective: A statement of the purpose or reason for the report.

- Methods: A brief description of the study design.

- Results: A summary of the results presented in sufficient detail to support the conclusion.

- Conclusion: a statement of the conclusion based on the data presented.

- References: All references should appear at the end of the abstract in numerical order as they appear in the text.

Ensure references are cited in the text by a number in parentheses e.g. (1).

Follow the referencing style below.

Alireza Ebadollahi

- References for **Journal Articles** should be formatted as in the following example: Watson W, Kuo K, Porter A, *et al.* The differences in stimulant abuse ED presentation: Methamphetamine and cocaine. *J Toxicol Clin Toxicol* 1998; **36**: 504-505.

- References for **Book Chapters** should be formatted as follows: Goadsby PJ. Pathophysiology of headache. In: Silberstein SD, Lipton RB, Dalessio DJ, eds. *Wolff's headache and other head pain*. 7th ed. Oxford, England: Oxford University Press, 2001:57-72.

- For case reports or case series, the words Case report: or Case series: replace the Methods: and Results: headings. Otherwise, the format remains the same.

- Reports of non-clinical studies, such as those describing poison centers operations or educational tools should attempt to follow these guidelines as closely as possible.

- For plenary lectures the number of words is limited strictly to **1,000** including the title, authors and affiliations. Each word or number is counted as one word whether it is one character or 10 characters long. (The previous sentence has a word count of 18). Units will count as a part of the number with which they are attached. The sentence “The patient’s salicylate concentration was 1000 mg/L” has a word count of six.

- Please do NOT use automatic Word functions, e.g. numbering, bullet points or footnotes.

- Use of tables and figures creates editorial difficulties and these are therefore discouraged

- Use only standard abbreviations. As there is no incentive to using smaller words, non-standard and extensive abbreviations will only detract from your abstract's acceptability. Numbers may be used to replace words e.g. 5 rather than five, though the word count remains the same.

- An example of abstract style is printed at the end of this section. This represents how abstracts will appear in the Congress proceedings.

THIS IS AN EXAMPLE OF ABSTRACT STYLE

Soltaninejad K (1), Mohammadirad A (2). *1. Laboratory of Forensic Toxicology, Legal Medicine Organization, Tehran, Iran; 2. Laboratory of Toxicology, Department of Pharmacology and Toxicology, Tehran University of Medical Sciences, Tehran, Iran*

Objective: A statement of the purpose or reason for the report. Methods: A brief description of the study design. Results: A summary of the results presented in sufficient detail to support the conclusion. Data must be presented in the abstract. References should be indicated in the text like this (1). Statements such as "the results will be presented" or "other data will be presented to support" will result in automatic rejection of the abstract. Tables and Figures are discouraged. Conclusion: a statement of the conclusion based on the data presented. References: (1) Author A, Author B, Author C, *et al.* Title of paper. *Hum Exp Toxicol* 2006; **12**:345-567.

With kind regards

**Shahin Shadnia MD, Ph.D.
Congress General Secretary**

REGISTRATION FORM

Please use block letters

Title: Mr. / Mrs. / Miss / Dr. / Prof. (Please Circle)

Name as to appear on name tag:

Designation:

Organization:

Postal Address:

Country:

Telephone (Indicate country and area codes):

Mobile:

Fax (Indicate country and area codes):

E-mail:

Accompanying person/s: Yes/No

Name/s:

Participation of Workshops: Yes/No

Congress Registration fees will be as follows

Category	Early (Until 19 Feb 2009)		Late (After 19 Feb 2009)	
	Iranian Participants (Rials)	Non Iranian Participants (US\$)	Iranian Participants (Rials)	Non Iranian Participants (US\$)
Main ICTP Congress				
IST* Members	150000	150	200000	200
Non-IST* Members	200000	200	250000	250
Fellows, Residents and Students**	100000	100	150000	150
General practitioners (MD, PharmD, DVD, DDS) and Nurses	100000	100	150000	150
Accompanying Person	70000	50	100000	100
Workshop	Iranian Residents (Rials)	Non Iranian Residents (US\$)	Iranian Residents (Rials)	Non Iranian Residents (US\$)
Approach to Poisoning & Overdose Coordinated by Toxicological Research Center of SBMU*	50000	50	70000	70
Addiction Treatment	50000	50	70000	70
How to Research in Toxicology Coordinated by Pharmaceutical Sciences Research Center of TUMS*	50000	50	70000	70
Detection of Toxic Residues in Foods and Drugs Coordinated by Food & Drug Laboratories Research Center of MOH*	50000	50	70000	70
Poison Information Resources Coordinated by National DPIC* of MOH	50000	50	70000	70

Notes

* IST (Iranian Society of Toxicology), MOH (Ministry of Health), SBMU (Shaheed Beheshti Medical University), TUMS (Tehran University of Medical Sciences)

** A letter should accompany the Registration from the Head of Department stating that the person is still in training

The registration fee for the main congress includes congress participation on May 2009, welcome reception, abstract book, coffee breaks and lunches.

***The fee for the accompanying person includes registration and welcome reception on first day only.

Payments can be done by bank transfer to the account of Iranian Society of Toxicology

Account name: Iranian Society of Toxicology

Account number: 0200648886008

Bank Parsian: Central Branch, Code: 1001

Please note that Registration will not be completed unless above fees are received. Please send the registration form along with your documents of payments to:
